

Welcome to Trinity International School Online

Log in Information

Please follow the following steps to login to your course(s):

1. **Open the school website page** www.tisschool.ca
2. **Click on Online Courses** which is located on top right of the page

3. **Select “Online Courses”** to access Moodle School System

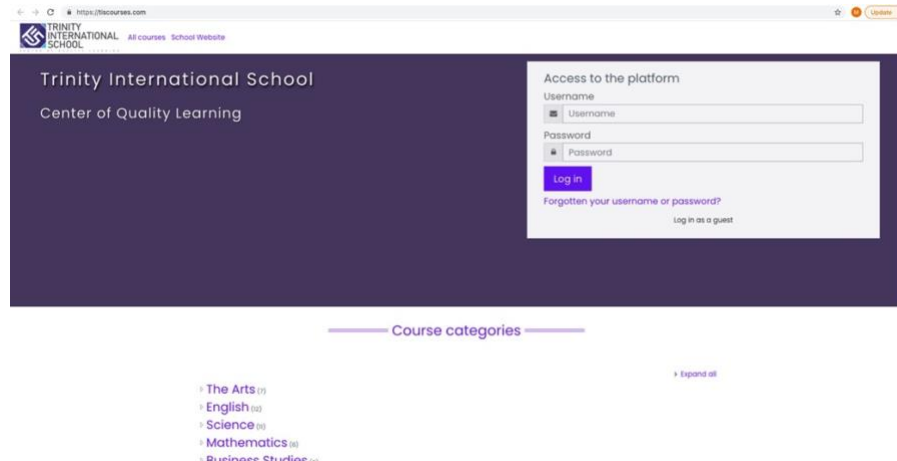

4. **Enter your Log-in Information** as received in your email or according to the following rule:

User name: first letter of your first name and last name (all lower case, no spaces) Temporary Password: First name1234@ (please note that the first letter is capital and there is no spaces between your first name & 1234@)

e.g. First name: Andrew Last name: Stark

User name: astark

Password: Andrew1234@

If your last name is **one or two letters** you should type your last name twice for your username, and password.

Example= Last name: Li

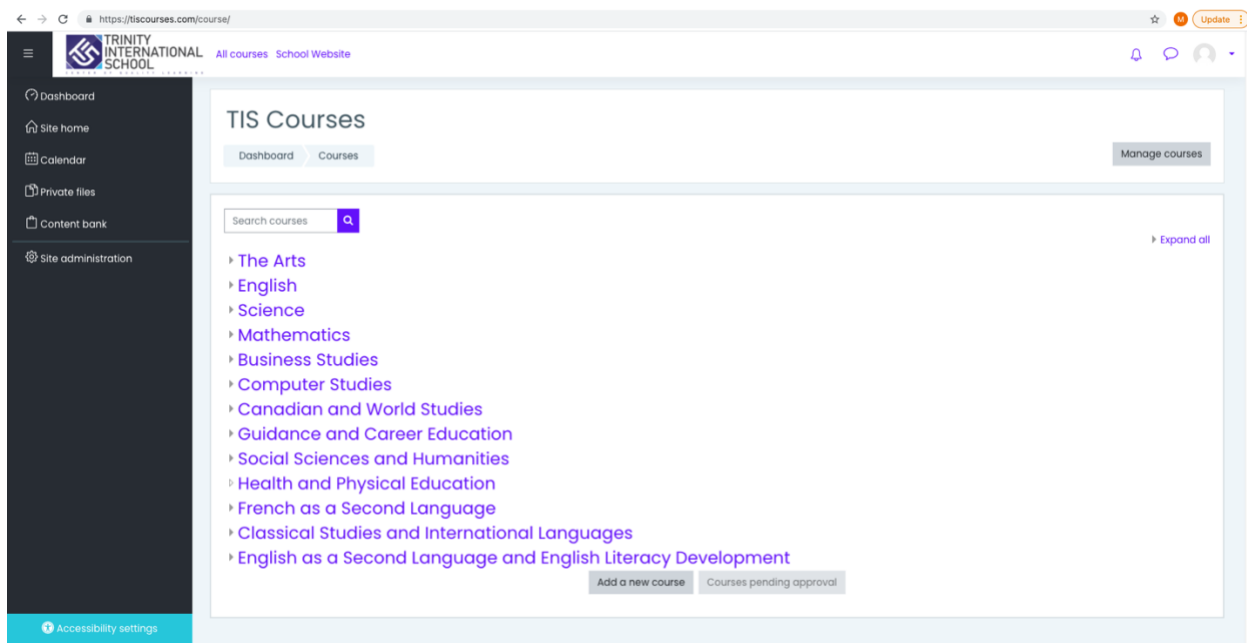

First name: Mike

Username: mlili

Password: Mike1234@

5. **Select your registered course by following the steps below:**

- **choosing the correct Category (Arts, English, Mathematics, ..etc.)**
- **choose your registered course**

When you access your registered course please go through the material and check your teacher's messages and start working on your course.

If you have any questions or concerns about any aspect of your course, do not hesitate to contact us at:

General Inquiry: info@tisschool.ca
